

Woofstock

Get ready for the third annual Woofstock celebration! Featuring music, dog trick contests, dog races, prizes, and people food - this is a family-friendly (and dog-friendly) event in West Linn!

Questions and Answers About Woofstock with Mayor Patti Galle:

Why should people attend?

This is the one day of the year we get to celebrate with our dogs! It is always fun and relaxing, sharing and visiting!

Who is organizing?

Mayor Patti Galle with city support

Cost?

No cost to public or vendors this year. I wanted to give local business an opportunity to advertise without cost and have a good time.

Who does the event benefit?

Since we are not charging for the event, no proceeds will be taken to donate.

What are you most looking forward to?

I love the community spirit. People mill around and visit, swap dog stories, show off their dogs and how much they love them. It is very magical to see the relationship between owner and pet. I love it.

Why is this event so near and dear to your heart?

Pets are the one constant in our lives. The time we look forward to for unconditional love and companionship. The human/animal connection is one of the most valuable and cherished experiences in our lives. I love this event because it is for dogs, about dogs and a time to play, relax, share and have fun.
